

HU601 – A larger display trailer but with hospitality potential, thanks to a well designed galley kitchen with fridge and gas appliances. The showroom/lounge area provides a perfect showcase to maximise the potential of your product or service. A valuable new weapon in your marketing armoury.

The interior can be adapted to accommodate more or less seating, the kitchen is hidden behind a display wall and there is also a storage cupboard to keep those essentials out of sight. Large display boards make it an ideal trailer to attract your customers directly onto the stand.
