

HU514 – The fold-away doors provide two v-shaped display units to create this comfortable, welcoming all-weather display/hospitality venue with Velcro-friendly internal walls and doors. A reception counter doubles as an information point or server and the furniture is functional, modular and moveable.

The interior can be adapted to accommodate more or less bench seating, the kitchenette is hidden behind the small counter and there is also a storage cupboard to keep those essentials out of sight. Large internal and external display areas make it an ideal trailer to attract your customers directly onto the stand.
