

**T25A** – One of a group of newly designed trailers that are basic in their application. The walls are not covered in any material to attach graphics with Velcro, but loop and hook tape or Blu-Tack can be used. The units do not have a separate kitchen but we can supply a stand alone unit if required at extra cost. No skirting or headboard and simple drop down steps.

The front window and/or door is made from 10mm Perspex for safety and the floor is covered in a Charcoal grey carpet. There are spot lights and a double electric socket for use with electrical appliances up to 16 amp. The two large display boards accept 5mm foamex mounted graphics that can be removed after use. There is a seating area in the nose cone.

**Features**

- 4.2 metre compact trailer
- Furniture options, please ask
- Large access to front
- Display boards

**The Mobex Service.**

When you hire a trailer from Mobex

1. It is made ready to your exact requirements including any graphics and accessories you have ordered.
2. We arrange the delivery with the event organisers and your other contractors.
3. We mow any grass (if required) and correctly position on the plot with chain link fencing if required.
4. Set up all furniture and accessories. Secure as required ready for you to just “turn up and present”.
5. Pack up and collect at end of the event.

**T25A FLOOR PLAN**

**Graphic Panels** (width x height) mm

A (2) – 1140 x 1650    B – 3950 x 2070    C – 1950 x 2070
