

**T41** – One of a group of newly designed trailers that are basic in their application. The walls are not covered in any material to attach graphics with Velcro, but loop and hook tape or Blu-Tack can be used. The units do not have a separate kitchen but we can supply a stand alone unit if required at extra cost. This unit boasts of a lockable storage room. Simple clip on steps. No skirting or headboard available.

The front windows and/or door are made from 10mm Perspex for safety and the floor is covered in a Charcoal Grey carpet. There are strip lights and a double electric socket for use with electrical appliances up to 16 amp. The two large display boards accept 5mm foamex mounted graphics that can be removed after use.
